

Village of
Eagle Police Department

Are You OK?

Who: A free program to assist senior citizens or people living alone with special circumstances. We care about you and are concerned about your wellbeing.

What: A Police officer will call your home to check on you. If you do not answer, an officer will be dispatched to your residence to check on you. If you do not answer the door, we will call your emergency contact. If you still can not be reached, we will determine if forced entry is necessary to check your wellbeing.

When: We will check on you every day unless you have informed us you will be out of town.

Where: Village of Eagle residents

Why: “Are you OK” is designed to assist senior citizens or people living alone with special circumstances by providing additional support to help you maintain your independence. Participation doesn’t mean you are unable to leave your home. You can call the police department and leave a message so that we know you are OK. If traveling, contact us prior to your leaving and tell us how long you will be away.

How: If you wish to participate or have loved ones that could benefit from this program, Contact Sergeant Gwen Bruckner at gbruckner@eaglepdwi.com or call 262-594-2400 and we will sign you up.
