## **Mission Statement**

The Town and Village of Eagle Recreation Department is committed to meeting the current and future community needs by offering a quantity of quality, safe, and affordable programs to all Town and Village of Eagle residents.

## **About the Eagle Recreation Department**

The Eagle Recreation Department was formed in 2002. It is funded by the Town and Village of Eagle. Since 2002, soccer and baseball have been enjoyed by more than 200 children per season. We have added flag football, golf, yoga, craft classes, senior events, tennis, crochet and knitting, basketball, family events, Red Cross courses, and much more! As our department continues to grow funding becomes more of an issue. We are constantly looking for ways to generate income. We greatly appreciate donations to our programs from residents and businesses. We are always trying our best to keep program costs low. Anyone interested in making a donation can contact our office at 262-949-4232.

## **Organizational Structure**

The Town and Village of Eagle Boards govern the Recreation Department Committee. The Committee is comprised of one member from the Village Board, one member from the Town Board, one village resident, one town resident, and the Director of the Eagle Recreation Department. Their respective Boards appoint members. The Recreation Committee will be directly responsible for all Eagle Recreation decisions involving budget, expenditures of funds, policies, and programs offered by Eagle Recreation Department. The Eagle Recreation Department Committee will also be responsible for the direct supervision of the Recreation Director.

## **Americans with Disabilities Act**

The Town and Village of Eagle Recreation Department actively seeks and supports participation by persons with disabilities in our recreational programs and services. It is the policy of the Town and Village of Eagle Recreation Department that no person will be excluded from participation, denied any benefit, or subject to discrimination on the basis of race, color, national origin, age, sex, religion, handicap, and/or disability.
