Conditions

The Village of Eagle Board may place conditions on approved special event permits. "Conditions" such as noise, landscaping, architectural design, type of construction, construction commencement and completion dates, sureties, lighting, fencing, plantation, deed restrictions, highway access restrictions, increased yards or parking requirements may be affected. "Special Event Permits" may be subject to time limits or requirements for periodic review by staff.

Any inaccurate information on the application may lead to a denial by the Village of Eagle Board. Any issues/complaints with prior approved Special Event Permits may lead to a denial by the Village of Eagle Board. If your application is approved by the Village Board, you must have a copy of the approved permit on site of the event. This permit is pending final approval by the Village Board.
